

Discovering Nature

HVES Environmental Science After School Program

This six week program will encourage children to observe, experience, document through journaling, and use inquiry to learn about the transformation nature undergoes during the fall. During each session, children will spend their time participating in science-based and creative hands-on activities outside on HVES grounds.

Thursdays, starting October 16th and ending on November 20th
 3:30 -5:00 pm (snack time from 3:30-3:45)
 3rd - 5th graders
 Minimum number of children: 6, Maximum: 12
 \$100 per child

Registration Deadline: Friday, September 26th

For any activity, if more than the maximum number of students sign up, participants will be chosen by lottery. Late registrants will be chosen on a first-come, first-served basis. The program fee is nonrefundable once the class has begun.

PARTIAL SCHOLARSHIPS ARE AVAILABLE TO A LIMITED NUMBER OF STUDENTS WITH FINANCIAL NEEDS. Scholarship winners will be notified before the first day of classes.
