

# Be part of the Excitement – help plan this year's 2009 Spring Carnival

Date: May 16, 2009 – 12 noon – 4 pm

We need coordinators of the following activities, many hands make light work, and more than one coordinator of each activity is encouraged – so sign up with a friend

You don't need to know how to do any of this. I and others will walk you through everything!  
Trust me – this is going to be fun!!!
