

Discovering Nature Photography

HVES Environmental Science After School Program

This six week Discovering Nature program will engage students to see and observe nature through a camera lens. Students will learn nature photographing and editing techniques. The program will be project based focusing on the theme of "Fall Succession" with a culminating show of student's work at HVES.

Wednesdays, starting October 7th and ending on November 18th
 3:30 -5:00 pm (snack time from 3:30-3:40)
 4th - 5th graders
 Class size is limited to 6 students
 \$100 per child

Registration Deadline: Friday, September 18th

For any activity, if more than the maximum number of students sign up, participants will be chosen by lottery. Late registrants will be chosen on a first-come, first-served basis. The program fee is nonrefundable once the class has begun.

PARTIAL SCHOLARSHIPS ARE AVAILABLE TO A LIMITED NUMBER OF STUDENTS WITH FINANCIAL NEEDS. Scholarship winners will be notified before the first day of classes.
